TOTAL: 11,926

--There were a total of 9,087 U.S.-assisted departures from Cyprus on U.S. charter flights as of 1800L July 26 (lower than sitrep 17 due to two last minute flight cancellations). The Vittoria M was due to arrive at 1800L with 250 U.S. citizens, and the Princess Marissa (Canadian charter) is expected to arrive from southern Lebanon at 0300 July 27 with approximately 200 U.S. citizens.

--Approximately 350 people (undocumented humanitarian cases and their relatives) will spend the night at the Fairgrounds, but we expect this number to increase to 900 by 1200L on July 27 with the arrival of the Orient Queen.

--CONS sent approximately 30 cases for consideration for humanitarian parole to the Department of Homeland Security on July 26. These cases are labor intensive and the documentation takes time to scan; CONS estimates it has transmitted 35-40 cases total thus far. CONS expects that some of these cases may take weeks or longer to resolve.

--Post will address septel our thoughts on the need to address our backlog of parole cases and cases with ineligibilities, as this population becomes more desperate.

MANAGEMENT

13. (C) The following are management updates:

--Post will begin to move those who have been at the Fairgrounds for longer than 24 hours to hotels beginning July 27, with the goal of emptying the Fairgrounds completely by July 29.

--As of 2000L July 26, the Larnaca and Limassol control rooms will be consolidated into the Nicosia control room. Port and airport teams will remain at their respective locations, but will be dispatched from Nicosia. Larnaca control room staff providing CONS telephone support will be folded into a consular call center to be established at Embassy Nicosia beginning July 27.
